From the Director - Carole Young

Clay's Family Fun Night, our last fundraiser of the year, was a wonderful success and definitely fun! Thank you for supporting all our fundraisers this year and making each one successful. We appreciate and love our school families.

Also, parent surveys will be distributed during the month of April. We would appreciate your opinion on things that you like and want to stay the same as well as any improvements or changes you would like to see. The school board reads every survey and they are interested in your opinion. We thank you for your time in filling the survey out.
