March 28	FAMILY FUN NIGHT 5:30-8:30 at Clay's (RSVP on facebook at Bear Creek United Methodist Church School @bearcreekumcschool
March 29	12-18 Month Old Teddy Bear Picnic

Trees and flowerbeds are not for little feet. Please help us keep the church courtyard beautiful. Use the school playground for after school playtime. We appreciate parent's careful supervision while children play.

A **BIG** "thank you" to Mrs. Avalos for a great Western Day. Many children dressed in their western attire and enjoyed theme related activities.

Now that Western Days is over, for their safety, please remember to send your child in tennis shoes.

From the Director

Dear Bear Creek Parents,

This year BCUMCS will be presenting each child with a year-end gift that chronicles their growth from September through May. Teachers have been planning, saving and designing art portfolios of your child's individual work. Each portfolio will be a one-of-a-kind recordings of your child's development and creativity. The art portfolio will take the place of the Mixbook photo albums we have done in the past. We hope the portfolio will be treasured for years to come. Additionally, each teacher has also set-up a Shutterfly account to give you access to the many pictures they have been taking for you to enjoy, view, share and print.

Lastly, don't forget to visit and share our Bear Creek United Methodist Church School Facebook page @bearcreekumcschool.

Have a happy spring break!
Carole Young

Chapel Lessons for March

Jesus teaches about God's love, how to live and love one another.

We love because he first loved us.

1 John 4:19
