Vision & Hearing Screening

Pinewood Vision and Hearing Screening will be held Monday, October 3. By Texas law, all four year olds and kindergarteners must be screened for vision and hearing. Please make sure that your child is present on his/her screening day. If your child is absent, you will need to have them screened at your doctor's office and bring in the report to send in with our state report.

From the Director—Carole Young

Our school year is off to a wonderful beginning. The children are settling into new schedules and routines for a year of love, discovery and learning.

Thank you for entrusting your precious children to our care.

Chapel Lessons for October: *"Creation"*

In the beginning God created the heavens and the earth. . . and God said "it was good"

Genesis 1:1

Just a reminder that we do not celebrate Halloween at school. Please do not send your child in any costumes. Fall and harvest attire is appropriate.
