

April is here! What a busy month it will be! We start the month learning all about Wind, Rain, Rainbow's, Noah's Ark. We will also be learning about and celebrating Easter!

The "Spring Play" is Monday April 3rd. The children love seeing their parents up on stage, so get involved! (There are lots of non-speaking parts.)

Our Easter Party and Egg Hunt will be Wednesday April 12th. Party information and parent volunteer sign up sheet will be on our class website.

We will be celebrating our spring and summer birthdays this month and next. So please be sure to check your calendar for your child's "birthday" 😊

I will be scheduling Parent/ Teacher conferences this month. I look forward to speaking with you all.

Christy
