

What a great start to our school year! Julie and I are enjoying your children so much! They are adapting well to our routines, making friends and having lots of fun! We have been so impressed with how well they are doing! Pretty amazing!

October looks to be another exciting & busy month. Our units this month include the Circus, pumpkins, the square and the colors yellow & orange. **Wednesday, October 18** is Circus Day. This is a school-wide event. It takes many hands to make this event a success. If you would like to volunteer for this event, the planning meeting is Wednesday, October 4 @ 9:15 and the set-up is Monday, October 16. Your children love seeing you here. And so do we! 😊 So please join us "Under the Big Top" and bring your camera to capture the memories! Childcare is PROVIDED on Monday, October 16 (the set-up day) and AVAILABLE on Wednesday, October 18. Stop by the school office to sign up. Per school policy, siblings are not allowed to attend school functions.

To help our class continue to run smoothly, here are a couple of reminders.

- Be sure that your child's clothes are easy for them to handle by themselves in the restroom.
- Take them to the restroom just before school starts.
- Put their name on EVERYTHING.
- Sign In and Sign Out every day. ← This is a licensing requirement.
- Leave backpacks in your car or at home. (Please & Thank You!)
- Wear tennis shoes/sneakers every day.
- On your child's snack day, please bring cups, napkins, water and snacks for 15.

Happy announcement: We are no longer a "Nut Free" classroom.

Later this month, I will be sending an email from Sign-Up Genius for you to schedule a time for a quick parent phone conference.

Thank you so much for sharing your children with Julie and me. We know that they are 13 beautiful little blessings!
