

October 2017

Dear Parents,

October is a month filled with lots of fun activities! We will begin with our fire safety unit, then have fun learning about farms. Next we will focus on circus fun. We Circus Day on Wednesday, October 18. This is a special event and all adults are welcome to join us on this day. However, no siblings please! The exception to this rule is infants under 6 months old may come as long as they are strapped to mom in a sling. We will finish up the month with a unit on pumpkins and Autumn.

We do not celebrate Halloween at Bear Creek UMC School. Please refrain from sending your child to school in a costume. Thanks!

Parents are needed to help with Circus Day. There will be many different activities set up in the gym. Volunteers are needed to help us move through the activities. This is also a great photo opportunity and a wonderful time to have fun with your child at school. I will have a sign up sheet out soon for volunteers. If you want to help run a booth for the school, please do this during the second shift. Our class needs your for the first shift.

No birthdays in October. We will celebrate birthdays in chapel on Fridays. Chapel begins at 9:30am.

Phone conferences will be held during the month of October. Be thinking about any questions you might have or issues you would like to discuss. I will be contacting you later this month.

Your children are wonderful! We are having a great time learning and growing together!

Blessings,

Jerrilyn Rheman
