Please keep your child home

- If he has a fever or has had one during the previous 24-hour period.
- If he has been on an antibiotic for less than 24 hours.
- If he has a cold less than 4 days old.
- If he has a heavy nasal discharge.
- If he has a constant cough.
- If he is fussy, cranky and generally not himself.
- If he has symptoms of a possible communicable disease.

A child must be free of fever without the aid of fever reducing medication for 24 hours before returning to school. Thank you for helping us safeguard the health of all our children.
