

JANUARY 2018

HELLO, 2018!!! Welcome back!! We hope everyone had a very Merry Christmas and we wish all of you a very Happy New Year!

We will begin 2nd semester with short reviews then introduce new concepts in math and reading. In math, number families and time will be the main focus. In reading, we will continue to add to our sight words and then progress to long vowels.

Many science concepts will be explored during our winter and crystal units.

We will begin "**Bear Helpers**" this month. Your child will lead our morning calendar routine by themselves and you will have the opportunity to come and watch them. I will email and post a schedule, so you'll have a head's up on the date.

JAN.15 MLK Holiday, no school

JAN. 31 Year of Magic visit

Looking Ahead:

February 1-2- No school; Teacher training
February 14 - Mom and Me Valentine Party
February 19 - President's Day Holiday
