

January, 2017

Dear Parents,

Welcome back to school! Hope you had a very Merry Christmas and a Happy New Year! Looking forward to another great month.

During January, our shape is a rectangle. Our colors are white and blue. We will focus on transportation, bears, hibernation, snow, ice, snowmen, winter and mittens. The children will enjoy playing with ice, learning about winter, and dressing in cold weather clothes. We will have a bear cave in our room when we learn about hibernation. Transportation is also a lot of fun for the children.

Registration information for the next school year will go home in January. Registration papers will be due back by Wednesday, January 31st, 2018. Please return these to reserve your spot for next year.

Monday, January 15th, is Martin Luther King Jr. Day and our school will be closed for the holiday.

BCUMC School will be closed on Thursday and Friday, February 1st and 2nd, to allow all teachers to attend the Early Childhood Development Conference. I look forward to learning new things to share with your child.

Remember that we will go outside every day that it is not raining. Please send old weather gear your child might need. Hats, gloves, heavy coats, etc., are all welcome – and often required. Please make sure that everything is labeled with your child's name.

Sincerely,

Regina Zarse
