

April 2018

Parents,

During April we begin with a unit on rain. Following that we will focus on community helpers, the zoo, and critters. The end of the month we will begin our unit on spring. We will be working on all colors and shapes.

The Spring Play will be on Wednesday, April 18. This is a time for parents to join in and help present a fun play for our children. Practice will be first that day, then the play will be performed. Please consider volunteering for this. The kids LOVE seeing their mom, dad or grandparent up on stage!!

Conferences will be held in April in our classroom. I will have a sign up sheet out soon. Please arrange for childcare or switch off with another parent while we have our conference. Your child should not be present during the conference.

I can't believe that it is already April. This year has flown by. Your children are wonderful and we are having a great time learning and growing together.

Blessings,  
Jerrilyn Rheman
