### Church and School

**WORK  
DAY**

Saturday  
April 28  
9:00-12:00

Helping hands needed to work on the school's playground putting down new mulch and working in the butterfly garden.

### Butterflies

All the classes have received caterpillars. The children will observe the caterpillars transform into a chrysalis and then to butterflies. After the children see this process, each class will release the butterflies outside.

### Chapel Lessons for April
